API MAKE DRILL RODS Q SERIES – WIRELINE

The 'API' Drill Rod Wire Line series are manufactured from superior grade material, the physical and chemical properties of which are higher than the material used for conventional rods. They are designed to be compatible and mate correctly with rods of the same design produced by other manufactures. All flush jointed rods are supplied with chrome plated box ends or as per customer requirement.

SIZE	LENGTH MTR. (FT)	O.D. (MM)	I.D. (MM)	T.P.I (NO.)	PART NUMBERS
AQ	1.5 (5)	44.5	34.9	4	API-WDT-AQ-15
AQ	3.0 (10)	44.5	34.9	4	API-WDT-AQ-30
BQ	1.5 (5)	55.5	46.0	3	API-WDT-BQ-15
BQ	3.0 (10)	55.5	46.0	3	API-WDT-BQ-30
NQ	1.5 (5)	71.0	60.0	3	API-WDT-NQ-15
